This offer is not stackable with any other Epson product offers, except where the offer specifically states that it is stackable with this offer. There is a maximum of five (5) claims per customer/address. For complete offer details, please read both pages of this rebate form. Only one submission per Epson product purchased. Fill out this coupon completely, including product serial numbers, and submit it along with 1) a copy of a valid invoice or receipt with the qualifying products circled; and 2) the original or a copy of the UPC code label from the product boxes. The name on the claim form must match the name listed on the original store receipt/invoice. Claims must be postmarked on or before July 30, 2013 and received by August 15, 2013. Rebates can change from month to month, and only apply to purchases made within the stated promotional time period. Act quickly if you want to take advantage of an advertised rebate. To receive the rebate you must purchase the printer before the end of the promotional period from an Epson Authorized Professional Imaging Reseller who has the printer in stock. Printers are sometimes in very short supply, so please check with your reseller before you order to insure it is available before the end of the promotion. If you place an order and the printer is not in stock by the end of the promotion, your dealer will allow you to cancel the order. If stock is expected at a later date, and there is a new rebate offer at that time, your dealer will assist you in reordering using the new rebate. Offer applies to end user, original customer only. No resellers, distributors or dealers. Offer is not transferable. Used and electronic auction products are not eligible. No substitutions or extensions. Offer is subject to product availability. Epson and its agents have the right to substantiate submissions and to reject claims that do not comply with these terms. Handwritten invoices or receipts will not be accepted. Rebate cheques are void if not cashed within 90 days of issuance and cannot be reissued. Epson is not responsible for lost, stolen, invalid or incomplete submissions. In the event a customer has paid less for the Epson product than the specified rebate amount, customer will only be entitled to receive a rebate cheque for the actual amount paid by customer for the Epson product before taxes and shipping. Claims will not be accepted if receipt shows retailer deducted the rebate amount at the time of purchase. Some retailers may require use of their own in-store coupon to claim this rebate; please check your receipt or ask the retailer at time of purchase. Sorry, Epson cannot deliver to P.O. boxes.
